The Piedmont branch library is leaving its home of 70 years in October for temporary digs at the site of Piedmont Avenue Elementary School.

The library has been looking for a new home since 2009 when its monthly rent was raised from \$1 to \$4,250. The library is currently paying \$4,900 a month for the branch at 160-41 Piedmont Avenue.

The library is still seeking a permanent home for the branch, but in the meantime, it will pay \$2,500 a month to occupy a modular building on school district property at 4314 Piedmont Avenue.
